

## 2m White Thunderbolt Cable - M/M

StarTech ID: *TBOLTMM2MW*

Our 2m (6.56ft) White Thunderbolt™ cables offer a dependable, high-quality solution for harnessing the speed and power of Thunderbolt technology, delivering full 10Gbps performance while combining both data and video into a single high-performance cable.

The cables support daisy chaining of up to 6 compatible Thunderbolt devices, which ensures streamlined performance and easier setup. Plus, with dual channel, bi-directional data transfer capability and support for power delivery (for bus-powered devices), these Thunderbolt cables offer the robust performance needed for optimal connections.

This high quality Thunderbolt cable is specifically designed to provide a reliable solution for device connections of up to 2m/6.56ft, providing enough cable length to connect compatible devices positioned as needed.

Backed by our 2-year Manufacturer's Warranty.
